- *Guest Advisor / Sales Associate*

Determine what guests require based on nonverbal cues. Professional interactions with guests.

- *Senior Guest Advisor / Part-Time Manager*

Excel at sales and provide value to guests based on needs and wants. Provide exceptional customer service by expertly leveraging interpersonal skills. Lead others by example and delegate tasks.

### - The Sauer Kraut Grill, Richmond, TX

2020

- *Cashier*

## Hobbies:

I enjoy programming and building upon my Raspberry Pis. I believe that exploring open-source platforms helps to better troubleshoot errors in both professional and personal projects. A passion for creating 3D files, with both AutoCAD and Blender, to print with a personal 3D home printer. I have successfully made a custom case for a Raspberry Pi Zero with an Infrared Camera Module and a small screen that is controlled by the GPIO pins. I enjoy using Photoshop and GIMP to make personal art projects and touchup family photos.

## Accomplishments:

- AFJROTC: positions of Flight Commander and First Sergeant. Received several leadership awards.
- GameStop: finished in the top 10% of all associates for sales metrics out of 17 stores for the 2022-2023 holiday season. Received commendations from customers and employers alike for friendliness, charisma, and diligence.
